The Party Club Cycle

is being revised. We sent out a ballot for the chapters to vote on which lessons they want in the cycle. As a result we are suggesting the following five lessons instead of the usual seven:

1. **"Guard Your Heart"**
This lesson from ETC will have flocked figures and Party Club helps that can be used any time of year.
2. **"Caleb, the Thank-You Spy"**
This lesson from ETC will have large 11" x 17" flashcard visuals with lesson text on the back. Helps for a "spy" Party Club that can be used any time of year are included.

3. **"The Message of a Star"**

4. **"Getting Even with Mr. Rodriguez"**

5. **"Always True"**

"The Broken Arrow" and **"It's Good to Give Thanks"**

There will be no changes to this Christmas party club. There will also be a new Christmas lesson in *Teach Kids!*

November/December 2007 issue
There will be no changes to this Valentine Party Club.

This lesson from ETC will have large 11" x 17" flashcard visuals with lesson text on the back and helps for an Easter Party Club.
