## Being Thankful for your Faith and Obedience

Moving from October into November, we go from the season of imitations, tricks and treats, to stopping and acknowledging the **true giver of every gift.**

God not only gives us everything pertaining to life and godliness, but sustains life on this planet earth. He doesn't stop there. He provides the way for eternal life with Him.

In counseling a fifth grader this week, I had her read

John 14: 1-3 in answer to her concerns about the future. Then I asked her to tell me the meaning of what she just read.

She said,  
"Jesus is making a space for me so that He can be near me."

I watched her face brighten as God's Word brought peace to her heart. Let's not neglect to share God's gifts.

Thank you for giving to CEF

### Acc. to Col. 1:3-11 We ask God to:

- help you know what He wants you to do
- give you deep spiritual understanding
- help you live for Him
- give you more knowledge of Himself
- give you strength and endurance
- fill you with joy, strength and thankfulness

## Let's let the seed of the Word of God planted in us bless the world!

Thank you for not neglecting the gift God has given to you. *Weekly volunteers and regular funding are the bricks of the GNC's getting onto the campuses. Your prayers are the mortar.*
